

## Notice

East Berlin Area Joint Authority Board voted for a sewer rate adjustment effective the 2nd quarter of 2017.

Due to the need for major capital expenditures to maintain the system the Authority regrets the need to increase the sewer rates.

The fixed rate of \$82.00 for residential and \$94.00 for commercial per quarter will remain unchanged. User rates each quarter will be determined by each account's total water usage during the quarter. This is only for Sewer. NO WATER INCREASE.

As a reminder: Late fees are 10% of the total bill, and calculated after the due date.
